TERRA BLANCA 2011-2012 PHOTOGRAPHY POLICY

In order to maintain the safety and security of both Terra Blanca guests and employees the following policies and procedures are in place for all commercial or private photography:

~All photography sessions must be arranged prior to photography session. All photographers or clients wishing to be photographed on Terra Blanca property must contact Gretchen Wiseman, Director of Banquet Sales at 509-588-6082 or gwiseman@terrablanca.com, to contract your session.

~Photography sessions require a Terra Blanca employee present at all time and are contracted for a two hour minimum. There is a \$200 fee for the two-hour time block and every additional half hour is \$30.00 per hour to be paid to Terra Blanca Winery & Estate Vineyard. This timeline will be contracted through Terra Blanca Winery and pre-payment of estimated time will be charged at time of contracting. Any time overages will be charged following the photography session.

~Photography may only take place between the hours of 11am-6:30pm, unless a private event has been contracted in any of the event spaces on property, then photography sessions are not contracted.

~Photographers will have access to grounds and barrel caves with the presence of Terra Blanca employee. Photographers may not take photos in front of large tasting room doors or under walkway to tasting room until after 6pm.

~If a commercial or private photographer does not follow policies above or does not contract a time for their photography session, they will be asked to discontinue shooting and possibly leave the premises.
