

TERRA BLANCA

Signature Series

2014 SIGNATURE SERIES TITAN

68% Petit Verdot | 29% Merlot | 3% Cabernet Sauvignon

NOTES

“Titan is a blend of Petit Verdot, Merlot, and a touch of Cabernet Sauvignon from our Red Mountain estate vineyard. Unhurried aging of Red Mountain fruit in 100% French oak barrels results in elegant rich flavors of red and black fruits that show huge concentration and depth. The balanced acidity provides an extended finish that lingers on the back of the palate leaving you yearning for the next sip.”

GROWING CONDITIONS

The decade of records for grape growing in Washington and specifically on Red Mountain continued with the 2014 vintage setting the record for the all time warmest vintage. Bud break started very early in late March for some varieties on Red Mountain and the growing season was off to a very quick start.

With most days in the mid to upper 90's in our estate vineyard, and only a handful of days to cross the century mark (and even then just barely) the summer racked up the heat units with amazingly consistent warm days for three months. This ideal growing weather led to the start of veraison as early as mid July for some varieties. Harvest started the earliest ever for Terra Blanca on August 25th.

HARVEST

Average Brix at Harvest - 25.5° Brix
Average pH - 3.70
Average Titratable Acidity - 0.500g/100ml

WINEMAKING

Grapes had initial cold soak for three days. Fermentation in open tanks using a variety of yeast types and some multiple yeast fermentation help to create wines with rich, complex flavors. Aged for up to 32 months in French oak barrels, 86% new.

BOTTLE

Alcohol by Volume - 13.5%
pH - 3.79
Titratable Acidity - 0.545g/100ml
Production - 454 cases
